Destiny brings these two powerful shifters together when they stumble upon "The Dates Of Our Lives" dating app. Intrigued by the possibilities, they create profiles and eagerly await their perfect match.

Exploring the Depths of Romance

As the story unfolds, we delve into the emotional rollercoaster ride of dating in a world where both attraction and transformation play a significant role. The app matches them based on compatibility, setting the stage for exhilarating encounters and unforgettable moments.

The chemistry between Alex and Liam is undeniable from the start. However, their blossoming romance is not without challenges. They face battles within their own hearts, societal expectations, and the constant fear of exposing their true selves.

Throughout the story, the author masterfully weaves together passion, vulnerability, and self-discovery. The reader is left longing for the characters to overcome their obstacles and find the love they truly deserve.

A Deeper Look into the Mpreg Subgenre

One of the remarkable aspects of "The Dates Of Our Lives" is its inclusion of the Mpreg subgenre, which stands for male pregnancy. It adds an unexpected twist to the romance, creating a unique and captivating narrative.

Mpreg allows the characters to experience the joy and challenges of carrying a child, further amplifying the complexity of their journey. It explores themes of love, family, and sacrifice, providing a fresh perspective on what it means to be a parent in extraordinary circumstances.

Fate doesn't use dating apps to pair true mates...except when it does.

Alpha Brad Galway is a hot successful lawyer and Beta of his Den with omegas throwing themselves at his feet. From the outside, it appears as though he has everything he could possibly desire. Inwardly, he has a bear clawing to get out—no longer willing to stand by and let his mate go unclaimed. But there's a problem with his bear's plan. Brad doesn't know who or where he is, just that they crossed paths in an airport over a year ago. If he doesn't figure out how to control his bear soon, he risks losing everything—including his life.

Human omega Gabe Rafferty is excited to start his new job as a professor of English Lit. Ever since a layover in an airport last year, he's felt like his luck has changed. He can't explain how or why...but something happened that day, and everything from that point was onward and upward. He just wishes he had someone to share it with.

When Gabe is talked into using a dating app, he isn't expecting much until he stumbles onto profiles that are fixated on the TV series, Shifter World. And he definitely isn't anticipating the smoldering alpha who recaptures that feeling he experienced at the airport. Sparks fly, feelings grow, and their worlds are turned upside down in the very best of ways, but is it too late for Brad's bear?

Matched To His Bear is the second book in the sweet with knotty heat Dates of Our Lives, an M/M mpreg shifter dating app romance brought to you by the popular co-writing duo of Lorelei M Hart and Colbie Dunbar. It features a human who stumbles into a world he never knew existed thanks to a silly little soap opera, an alpha who is losing his humanity, a stalker bear who turns out to be more trouble than anyone could've suspected, and an adorable baby. If you like your shifters hawt, your omegas strong, your mpreg with heart, and your HEAs complete with true mates and a bundle of joy, one-click today.
