Materials Needed

Before you begin, gather the following materials:

- Size G (4.0 mm) crochet hook
- Worsted weight yarn in various colors
- Scissors

Instructions

1. Start by creating a foundation chain of 198 stitches using Color A. This will be the width of your afghan.

2. Row 1: In the fourth chain from the hook, work 1 double crochet. Continue by working 1 double crochet into each of the next 6 stitches. Skip the next 2 stitches, then work 1 double crochet into each of the next 7 stitches. Repeat this pattern until you reach the end of the row.
3. Rows 2-5: Repeat Row 1, changing colors as desired. Remember to carry the yarn not in use along the side of your work, so it is easily accessible when needed.
4. Rows 6-11: Revert back to Color A and repeat Row 1.
5. Repeat Steps 2-4 until your desired length is achieved. Remember to always end with Row 1 to maintain the pattern consistency.
6. To finish off your afghan, create a border of single crochet stitches around the entire piece. This will help give it a polished and professional look.
