My mom should have killed me the day I was born.

Being a twin complicates the Evian line of succession, but Chancery Alamecha is fine letting Judica inherit the throne. After all, she's the stronger sister—the merciless fighter, the ruthless politician, and the groomed heir. But something unexpected happens when Chancery tries on her mother's staridium ring, forcing her into a role that she never wanted: the prophesied queen who will prevent the destruction of Earth.

Now I have to kill my sister.

Judica, enraged by this turn of events, vows to do anything to reclaim her rightful place as empress. Including challenging Chancery to a battle to the death. While Chancery is away training, she gets a taste of the human world, where she can do whatever she wants without genetic obligations. Now torn between a life she was born into and one that makes her happy, she must confront her treacherous sister—or cause the end of the world.

What are the critics saying?

"A fast moving, engaging tale in what promises to be an epic fantasy romance series," Kirkus Reviews.

"Baker's writing is swift but potent, and scenes of action and romance both prove exciting," Publisher's Weekly.
