Gentlemen Prefer a Pulse is Mike Steeden's first published collection of poetry and features over a hundred poems that are sometimes humorous, serious, satirical, surreal, thought provoking and brilliant!

Mike says his inspiration is drawn from his self proclaimed love of the fairer sex, his passion for 'people watching' (a trait born of his time as a private investigator), social justice and compassion.

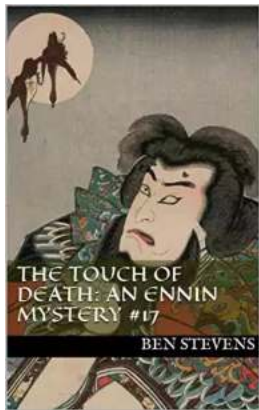

The net result is that his poems are in essence a cocktail of all these

things...oh yes, the important thing! Mike always endeavours to ensure that within his body of work the gals always win out in the end!
