A Second Shot at Life

Determined to break free from his past, Charlie sought education and vocational training while serving his sentence. He discovered his passion for computer programming and decided to dedicate himself to acquiring the necessary skills and knowledge in this field.

It wasn't an easy journey for Charlie. He faced numerous obstacles, including the skepticism of others who doubted his ability to change. But he persevered, knowing that this second chance was his golden opportunity to prove everyone wrong and make a positive impact on the world.

Rising Above Adversity

After completing his sentence, Charlie faced the harsh reality of finding employment with a criminal record. Most doors remained closed, and his past continued to haunt him. But Charlie refused to let his past define him.

In a stroke of luck, Charlie found a small tech company willing to give him a chance. With his skills and determination, he quickly rose through the ranks, proving his worth to his employers and colleagues. Even though his criminal record was a constant reminder of his past mistakes, Charlie never lost sight of his goals.

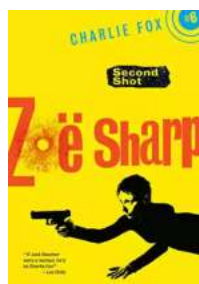

A Beacon of Hope

Today, Second Shot Charlie Fox stands as a symbol of redemption and hope for individuals who have made poor choices in their past. He uses his platform to advocate for criminal justice reform and the importance of providing second chances to those who are willing to change.

A woman who beat the odds could lose her life. Enter Charlie Fox. “Today’s best action heroine is back with a bang.” —Lee Child

America and Charlie Fox: It’s not a good mix. The bodyguard’s first trip to the States began with a bratty kid and went downhill very quickly. This time around the kid is adorable, but Mom—a recent lottery winner—is bratty enough for two. The assignment’s no fun (even the weather’s lousy), but Charlie can’t walk away. There’s something about the client’s situation that mirrors Charlie’s own. She’s a tough chick with parent-problems and a conflicted relationship with a former lover. Sound familiar? In *Second Shot*, “Sharp expertly builds the suspense in a nonstop thrill ride” (Publishers Weekly).

“Crackles with suspense, crisp prose, plenty of plot twists and a heroine who adds new meaning to the term femme fatale.” —Booklist (starred review)
