Unlock the secrets in Reunion Gap

The only woman he's ever trusted is about to betray him...

Luke Donovan is the irresistible bad boy every woman wants, and no woman can catch. Until he meets Helena Montrey. There's something about her reserved manner and fresh-faced beauty that makes him want to commit...to her. Damn, but he's finally fallen in love! It's time to face up to

past mistakes and returning to his hometown of Reunion Gap and the family he deserted is the first step.

After her fiancé's betrayal makes her question her ability to tell an honest man from a liar, Helena Montrey shies away from men. Then she meets Luke Donovan. Her heart wants to tell him she's the creator of a very successful greeting card line, not the struggling waitress and wannabe-writer he thinks she is. But her brain forces her to wait until she's sure the former bad boy with an admitted penchant for the open roads and constant change, is in this for keeps.

When the couple arrives in Reunion Gap, the Donovans are waiting for them with a lot of questions, and a ton of concerns. How is it that a woman they've never heard of ends up with a man who's vowed he'll never be tied down? What's the woman's back story? More importantly, what is she hiding? The truth about Helena will come out, and then Luke must decide if he loves her enough to give her a second chance.

The Donovans aren't going to stand by and watch this heartbreak happen without getting involved. After all, what's family for, if not to get involved?
