Opposites attract, unfortunately.

Rule breaker: Kita Kim's badass exterior hides a wounded heart. The private security expert dedicates her days to protecting those who are weaker, and if she has to break a few rules to make sure they're safe, so be it.

Rule Follower: US Marshal, Alex Saunders, always follows the rules—with one exception, and now he's paying the price. He needs a win on this current detail, babysitting a judge with a stalker, so he can get back to federal witness protection. But in the way of his return is a new partner who seems intent on ignoring the rules.

Their red-hot attraction only complicates things...

Kita and Alex strike sparks while competing to see who can solve the mystery of the case first. Eventually they have to compromise and work together to figure out who is behind the escalating threats and how to stop them. This protective detail might just be the death of them--Because their client is keeping secrets that could kill.

Adams-Larsen Inc and Associates, ALIAS, helps ordinary citizens in danger when they need to disappear.

Get ready for ALIAS, a spin-off series from Hughey's successful Family Stone series.

Next up is Hunted (ALIAS #2) featuring Dwayne Lameko and Maria Torres.

There's only one thing worse than seeing your unrequited crush every day at the office...and that's getting trapped with him in a snowy mountain cabin. Maria Torres has been through hell and back. A former kidnapping victim, she's used to being famous for all the wrong reasons and having

people handle her with kid gloves. And it seems that the man of her dreams, Dwayne Lamako, is no different. So when an ALIAS client requests her presence on an op, Maria believes she's ready to spread her wings and prove all her co-workers wrong...especially Dwayne. But when danger follows them into the wilderness, Maria has no choice but to prove to herself and Dwayne that she's strong enough to handle anything...even his love.

Vanished (ALIAS #3) He'll do anything to find his brother's killer....

His final opportunity...

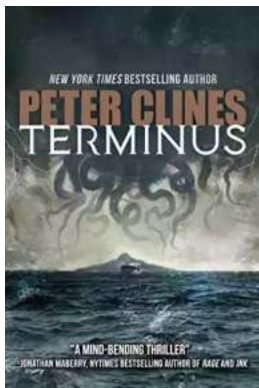

On an unsanctioned mission, Scottish NCA officer Hamish Ballard tracks his brother's killer across the ocean...until he hits a dead end at Adams-Larsen Inc and Associates, a supposed PR company. Owner Jillian Larsen knows more than she admits, and he'll do anything to uncover her secrets, even fake an interest her. He's got one week to complete his goal. But his attraction is all too real and using her when she was just a name in a report was easy, but now he's falling hard for his foe.

Her first responsibility...

Jillian Larsen's purpose in life is helping people who are in jeopardy disappear and she has never betrayed a client. When a Scottish hottie accuses her company of hiding a criminal, she has no intention of revealing her client's whereabouts or giving in to her inconvenient attraction for the sexy pain in her ass. But what does she do if the woman she relocated turns out to be a criminal? When her business partner vanishes along with their complicit client, can she use Hamish to track them down without risking her heart? Their only chance... He needs her resources. She needs

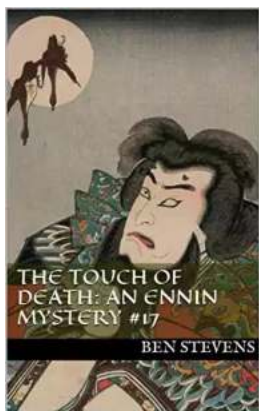

his intelligence. Working together is the logical choice but it means jeopardizing everything.

Vanished is an enemies-to-lovers romantic suspense with a badass heroine and a swoony, Scottish hero.
