Lost at sea. Surrounded by mystery. Can a determined survivor beat the deadly current?

Lissy couldn't resist diving in the crystal-clear waters of Cozumel, Mexico. But when she and her friends are caught in an unrelenting down-current, she counts herself lucky to be one of five survivors washed ashore on a deserted island. Until the tropical paradise reveals itself to be a wilderness populated by monstrous predators...

Besieged by bloodthirsty sharks in the water and carnivorous primates on land, Lissy and the others struggle against devastating odds. And when jealousy creates an ominous rift inside their group, she fears the terrors lurking in the trees will more easily pick them off one by one.

Can Lissy survive this twisted nightmare and lead her small band of castaways to safety?

STRANDED is a pulse-pounding standalone action thriller. If you like whip-smart heroines, nightmarish puzzles, and vicious creatures, then you'll love Beverley Scherberger's savage page-turner.

★★★★ “I am normally not much of a fiction enthusiast. Perhaps it was all those years as a professor where research was the name of the game, but...I was riveted to STRANDED. It strikes an excellent balance between engaging character development and fast-paced plot suspense. Yes, I read it to the last word, and without giving anything away...the end blew me away.” ~ an Amazon reviewer
