Guided by ancient prophecies, Allanon followed a trail of clues that led him through treacherous landscapes, haunted forests, and forgotten ruins. Each step of the way, he faced tests designed to sift the worthy from the weak.

The Sword of Shannara, a relic of immense power and historical significance, was guarded by ancient magic and hidden deep within the labyrinthine catacombs beneath Paranor, the Druid's Keep. Only those who proved their loyalty and purity of heart were deemed worthy to wield its unimaginable power.

Some, driven by selfish ambitions, sought its power for their gain, while others recognized the gravity of the situation and joined forces with him against the rising darkness.

A Battle of Good versus Evil

As the forces of darkness grew stronger, Allanon's quest became more perilous and demanding. Battling sinister creatures, solving ancient riddles, and overcoming personal doubts and fears tested his resolve on every step of his journey.

Along the way, hidden depths of Allanon's character were revealed. His personal demons and struggles became intertwined with the quest for the

Sword of Shannara. It was not just his physical strength that determined his success, but also his ability to find inner balance and confront his own weaknesses.

The climax of Allanon's quest was an epic battle between good and evil, light and darkness. The legendary hero Allanon takes center stage in the first of three gripping new stand-alone eBook short stories set in the world of the fantasy-fiction phenomenon that is Shannara—by beloved New York Times bestselling author Terry Brooks.

The history is thus: The once-Druid Brona, seduced by his pursuit of dark magic, was forever transformed into the Warlock Lord—whose evil would be the downfall of the Four Lands and the death of the Races. Against him, the Elven King Jerle Shannara wielded the fabled sword that bore his surname and triumphed. Or so it was believed. But though the Dark Lord was driven out . . . he was not destroyed.

The Druid Allanon knows only too well the prophecy passed down to him by his late master: that eventually the Warlock Lord will return. Now, after

hundreds of years, that day seems imminent. And the time is at hand for the Sword of Shannara to once more be brought forth from its sanctuary to serve its ancient purpose. All that remains is for a blood descendent of the Elven house of Shannara to carry the blade into battle.

With ever more portents of doom on the horizon, Allanor must seek out the last remaining Shannara heir, who alone will bear the burden of defending the Four Lands' destiny. But with agents of darkness closing in from behind, unexpected enemies lying in wait ahead, and treachery encroaching on every side, there can be no certainty of success. Nor any assurance that this desperate quest will not be the Druid's last.
