Letty Davenport, the brilliant and tenacious adopted daughter of Lucas Davenport, takes the investigative reins in the newest thriller from #1 bestselling author John Sandford.

“Sandford fans rejoice! Davenport next generation has arrived and Letty is exactly the kind of cool-eyed, smart-mouthed, lethally dangerous heroine we’ve been waiting for.”--Lisa Gardner, author of *One Step Too Far*

By age twenty-four, Letty Davenport has seen more action and uncovered more secrets than many law enforcement professionals. Now a recent Stanford grad with a master’s in economics, she’s restless and bored in a desk job for U.S. Senator Colles. Letty’s ready to quit, but her skills have impressed Colles, and he offers her a carrot: feet-on-the-ground investigative work, in conjunction with the Department of Homeland Security.

Several oil companies in Texas have reported thefts of crude, Colles tells her. He isn’t so much concerned with the oil as he is with the money: who is selling the oil, and what are they doing with the profits? Rumor has it that a fairly ugly militia group might be involved. Colles wants to know if the money is going to them, and if so, what they’re planning.

Letty is partnered with a DHS investigator, John Kaiser, and they head to Texas. When the case quickly turns deadly, they know they’re on the track

of something bigger. The militia group has set in motion an explosive plan . . . and the clock is ticking down.
