Breeze is on the move again, aboard Leap of Faith. There is trouble lurking in every port. He gets mixed up with a cocaine kingpin, talks his way out of a Cuban jail, and takes on a pretty refugee as a passenger. His trusty trawler takes him from the Keys to the Caribbean, and even to the Chesapeake Bay, where he contemplates turning himself in to the authorities. This is a timely tale that uses current events to shape the storyline; from our diplomatic relations with Cuba, to the social impact of Fifty Shades of Grey.

Robinson has proven himself to be a master of the nautical narrative. His adventure stories are part John D. MacDonald, and part Papa Hemingway. Following Breeze has action to burn. You'll feel the excitement as the pages turn faster and faster. You'll feel for Breeze as he struggles with his inner demons. You won't guess how it ends.
