Get your geek on! Prepare for adventure with reformed hacker and trouble magnet Lexi Carmichael as she does whatever it takes to help the good guys win.

I'm Lexi Carmichael, geek extraordinaire. I spend my days stopping computer hackers at the National Security Agency. My nights? Those I spend avoiding my mother and eating cereal for dinner. Even though I work for a top-secret agency, I've never been in an exciting car chase, sipped a stirred (not shaken) martini, or shot a poison dart from an umbrella.

Until today, that is, when two gun-toting thugs popped up in my life and my best friend disappeared. So, I've enlisted the help of the Zimmerman twins—the reclusive architects of America's most sensitive electronic networks—to help me navigate a bewildering maze of leads to find her.

Along the way, my path collides with a sexy government agent and a rich, handsome lawyer, both of whom seem to have the hots for me. Hacking,

espionage, sexy spy-men—it's a geek girl's dream come true. If it weren't for those gun-toting thugs...
