#1 New York Times and Amazon Charts bestselling author Lee Goldberg hits the ground running in a breakneck thriller where truth and fiction collide for the unluckiest writer alive.

When a passenger jet crashes onto the beaches of Waikiki, bestselling thriller writer Ian Ludlow knows the horrific tragedy wasn't an accident.

Years before, the CIA enlisted Ian to dream up terrorism scenarios to prepare the government for nightmares they couldn't imagine. Now one of those schemes has come true, and Ian is the only person alive who knows how it was done...and who is behind the plot. That makes him too dangerous to live.

Ian goes on the run, sweeping up an innocent bystander in his plight—Margo French, a dog walker and aspiring singer. They are pursued by

assassins and an all-seeing global-intelligence network that won't stop until Ian and Margo are dead. Ian has written thrillers like this before, but this time he doesn't know how it's going to end—or if he will be alive to find out.
