Print length : 23 pages

Avengers vs. X-Men explores the conflict as tensions rise between the two groups. The Phoenix Force, a cosmic entity that possesses immense power, is returning to Earth, leading to a division among the superheroes. Some believe the Phoenix Force can be harnessed for good, while others fear its destructive potential. This conflict sets the stage for an epic battle that will determine the fate of the world.

The All-Star Creative Team

Marvel has assembled an all-star creative team to bring this monumental story to life. Acclaimed writers and artists have joined forces to deliver

stunning visuals and an emotionally charged narrative that will keep readers on the edge of their seats.

With Jonathan Hickman, Jason Aaron, Brian Michael Bendis, Ed Brubaker, Matt Fraction, and John Romita Jr., among others, working on this project, fans can expect a masterpiece that pushes the boundaries of storytelling.

Comic Book Stores Unite

Free Comic Day has always been a celebration of comic book culture, and this year's event is no exception. Comic book stores across the globe will participate in Free Comic Day 2022, providing fans with the opportunity to get their hands on exclusive, limited-edition issues.

The event aims to promote the joy of reading, encourage new readers to explore the diverse world of comics, and support local comic book retailers.

Comic enthusiasts can expect free comic book giveaways, special promotions, cosplay competitions, and even appearances by renowned artists and writers. It's a day where fans can connect with their favorite characters, discover new series, and celebrate the power of storytelling.

Collectors' Editions and Exclusive Variants

Avengers vs. X-Men will feature a range of collectors' editions and exclusive variants that avid fans and collectors won't want to miss. These limited-edition copies often come with unique cover art, additional content, and added value for true comic aficionados.

Collectors can keep an eye out for special foil covers, signed editions, sketch variants, and other exciting offerings. It's a chance to add rare and

cherished items to their collections, making Free Comic Day 2022 all the more special.

The Buzz and anticipation

The announcement of Avengers vs. X-Men for Free Comic Day 2022 has generated immense excitement within the comic book community. Fans have taken to social media platforms to express their anticipation, share theories, and discuss their favorite heroes.

#AvengersVsXMen and #FreeComicDay have become trending topics, showcasing the massive interest surrounding this upcoming event.

Rumors and speculations about the storyline, character interactions, and potential ramifications have only fueled the buzz leading up to its release. The excitement is palpable, and fans are counting down the days until they can finally get their hands on this epic comic book event.

Free Comic Day 2022 is shaping up to be an unmissable event for comic book enthusiasts and Marvel fans alike. Avengers vs. X-Men promises an action-packed, emotionally-charged storyline that will leave readers wanting more.

Whether you're a die-hard fan or new to the world of comics, make sure to mark your calendars for Free Comic Day 2022. It's a celebration of the medium, a chance to connect with fellow fans, and an opportunity to embark on an unforgettable adventure with Earth's mightiest heroes and mutant icons!
