From the celebrated author of *Inward* comes a new collection of poetry and short prose focused on understanding how past wounds impact our present relationships.

In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth.

To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.
