****Series should be started with Broken Stern, (Book 1)****

In Pine Island, FL, what floats on the surface is different than what swims below.

Ellie is no longer with the DEA, but Ringo remains at large, and Ellie finds that she can't stay off the hunt.

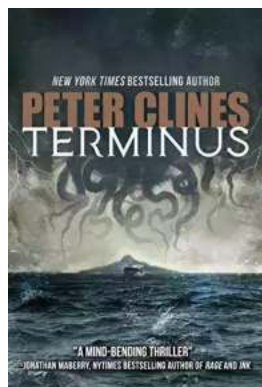

And when an old adversary comes back for revenge, Ellie discovers the crosshairs are much bigger than she could have imagined.

But the truth will be found.

Even if she has to sink to find it.

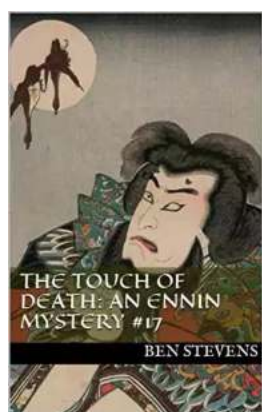

Vacant Shore picks up where Bitter Tide left off. This is the fourth of a four-book story arc that resolves here in Vacant Shore. If you are just entering the series, it is recommended (by author and reader alike) that you begin first with Broken Stern in order to enjoy the fullest spectrum of the characters and the overall plot.

Books 5 and onward will all be standalone.
