The protagonist of this adventure novel, John Wanderlust, is one of the main characters in the Westmount Group of Ten whom readers were first introduced to in the trilogy, TEN THOUSAND DAYS HAS OUR YOUTH, Volume One.

WANDERLUST takes place primarily in Mexico, a land that John loves and where he spends much of his time. A major portion of the story also occurs in Western Canada and includes a white water rafting trip down the Chilcotin and Fraser Rivers in British Columbia. It is during this period in his life that John accidentally meets a young lad who inadvertently becomes an integral part of his life. Randy Bennett enters that private world of John Wanderlust, remains but a brief time, but manages to capture the hearts of all who were privileged to know him.

Above all, WANDERLUST is a love story: of one man's love of life, of people, of the world and all that it contains.
