The Sisterhood series revolves around the lives of seven extraordinary women, brought together by their shared history of betrayal, heartbreak, and injustice. United by loyalty, courage, and a desire for justice, these women form an unbreakable bond that enables them to take matters into their own hands.

"Weekend Warriors", the first book of the series, lays the foundation for this sisterhood. The readers are introduced to the main characters - Myra Rutledge, Annie de Silva, Nikki Quinn, Kathryn Lucas, Alexis Thorne, Isabelle Flanders, and Yoko Akia - all diverse in their backgrounds and personalities.

A Weekend Retreat Turns into a Secret Mission

Set in the tranquil town of Myrtle Beach, South Carolina, the story begins with the women attending a reunion at Pinewood, once their favorite place to spend weekends together. The tranquil setting contrasts starkly with the turmoil inside the hearts of the Sisterhood members.

Each of these women has suffered from injustice, ranging from abusive partners to corrupt businessmen and shady politicians. With their lives drastically impacted by these malevolent figures, they decide to come together to seek vigilante justice.

At Pinewood, the Sisterhood unveils its true purpose and sets out on a mission to right wrongs, aiming to serve justice to those who have evaded the legal system. The women are not afraid to take matters into their own hands, ensuring that the guilty face the consequences they rightfully deserve.

A Powerful Narrative of Courage and Redemption

"Weekend Warriors" is a gripping page-turner that explores themes of courage, redemption, and the healing power of friendship. Fern Michaels skillfully weaves together suspense, excitement, and heartfelt emotions, leaving readers enthralled.

As the Sisterhood goes about their mission, Michaels delves into the personal journeys of these women, providing in-depth character development that allows readers to connect deeply with their stories. The complex emotions, sacrifices, and determination that drive these characters forward make them relatable and inspiring.

Michaels expertly balances the plot's action sequences with meaningful introspection, capturing the essence of the Sisterhood's inner struggles as they confront their past traumas while embracing their newfound empowerment.

An Engaging Blend of Justice and Sisterhood

What sets *"Weekend Warriors"* apart is the incredible sense of sisterhood that permeates the narrative. Michaels emphasizes the strength that comes from female friendships, and how, when united, women have the power to overcome any obstacles thrown their way.

The bond between these women is deep and unwavering, transcending time and distance. The author skillfully showcases their unwavering support for one another, offering readers a strong message of solidarity and empowerment.

"Weekend Warriors" is a captivating start to Fern Michaels' Sisterhood series. With its themes of courage, redemption, and the power of friendship, this book resonates with readers, inspiring them to take control of their lives, seek justice, and cultivate unbreakable bonds.

Through the Sisterhood, Michaels has created a world where women come together to triumph over adversity and reshape their own destinies. This engaging page-turner will leave readers eager to dive into the subsequent books of the series, anticipating the next thrilling adventure of the courageous Sisterhood.

First in the New York Times bestselling series featuring fierce female vigilantes—includes a bonus Sisterhood chapter and an interview with Fern Michaels!

Life isn't fair. Most women know it. But what can you do about it? Plenty . . . if you're part of the Sisterhood. On the surface, these seven women are as different as can be—but each has had her share of bad luck, from cheating husbands to sexist colleagues to a legal system that often doesn't do its job. Now, drawn together by tragedy, they're forging a bond that will help them right the wrongs committed against them and discover an inner strength they didn't know they had. Growing bolder with each act of justice, the Sisterhood is learning that when bad things happen, you can roll over and play dead . . . or you can get up fighting . . .

“Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands.”—Booklist
